FAULTS : Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree.

Behaviour / Temperament : Aggressive, vicious, cunning, untrustworthy, lack of spirit, overly shy.

Head : Lack of nobility and typical expression, sombre face, Pinscher or Bulldog type head.

Dribbling, showing of teeth or tongue. Muzzle too pointed or slight. Bridge of nose falling away.

Leather or weather nose, pale nose leather. So called, "hawk eye", lack of pigment in haw.

In uncropped ears : Flapping, half erect or erect ears, rose ears.

Wry jaw, slanting teeth, incorrect position of teeth, poorly developed teeth and unsound teeth due to illness.

Neck : Short, thick and throaty.

Body : Front too broad and low to the ground. Sagging body, roach or sway back. Lean, long, narrow, sagging loin, loosely coupled body.

Arched loin, croup falling away. Narrow pelvis, hollow flanks, pendulous belly.

Tail : Low set on, kink tail.

Forehand : French front, loose shoulders, loose elbows, weak pastern, hare foot, flat, splayed feet.

Hindquarters : Weak muscles. Too much or too little angulation, down on hocks, barrel hocks, cow hocks, narrow hocks, dewclaws, hare foot, flat, splayed feet.

Movement : Waddling, insufficient reach, pacing, stilted gait.

Colour of coat : Mask extending beyond muzzle. Stripes (brindling) too close together or too sparse.

Sooty ground colour. Mingled colours. Unattractive white markings such as a whole white head or white on one side of the head. Other colours and white markings exceeding one third of the ground colour.

DISQUALIFYING FAULTS

Aggressive or overly shy.

Any dog clearly showing physical or behavioural abnormalities shall be disqualified.

N.B.

- Male animals should have two apparently normal testicles fully descended into the scrotum.
- Only functionally and clinically healthy dogs, with breed typical conformation should be used for breeding.

***Regardless of the provisions of the current KUSA-adopted standard, docked and formerly docked breeds may be shown at all FCI- and KUSA-licensed shows in South Africa, whether their tails are docked, or natural. Under no circumstances are judges permitted to discriminate against exhibits on the grounds of docked, or natural tails and equal consideration for awards must be given to either. (Fedco 12/2017 Amended DR/02/2018)**
